Janina is absolutely wonderful — kind, responsive and fantastic with our kids. We felt completely at ease leaving them in her care. It made our trip so much easier and more enjoyable. Highly recommend!

A WARM WELCOME

About us

Hi — I'm **Janina Witzel**, founder of The Iceland Travel Babysitter. I've spent **20 years** with children (since I was 16), **17 as a kindergarten teacher**, and I have 3 of my own at home.

Alongside me is a booking agent who handles the logistics, plus a small, trusted circle of preschool teachers and caregivers I call on when needed. For over **7 years** we've cared for visiting families' little ones — while you explore waterfalls by day, lagoons at sunset and the Northern Lights by night.

Based in Þorlákshöfn

WHAT WE OFFER

Our services

Hotel babysitting

We come to your hotel with a bag of books and quiet toys for after you leave. Overtired toddlers, formula on a schedule, unfamiliar rooms, late dinners — we're used to all of it. Your bedtime routine, kept.

Home babysitting

A warm family home in Þorlákshöfn — space to play, familiar toys, a settled rhythm. Ideal for longer days when you're out exploring further afield.

ALL AGES WELCOME | DAY & EVENING | AVAILABLE YEAR-ROUND
